

W.T. WOODSON HIGH SCHOOL PTSO

BUY A BRICK PROGRAM

The Woodson PTSO is raising money to help fund various beautification projects and other programs at the school. A brick courtyard has been built in front of the School, between the new main entrance and the auditorium. The brick plaza will contain benches, trees and planters. The engraved bricks will be intermixed with the regular paver bricks. Each individual brick costs **\$100**, and will be engraved as you specify below. Now that the Woodson Renovation Project is completed, the bricks are being added to the plaza as the orders come in. It is a great graduation present for your senior!

Yes, we'd like to reserve the permanent brick(s) below. I understand that up to 3 lines may be used for engraving.
